

Alison T J Edwards, FRCS, (Tr and Orth)

Practice Information / Terms of Business;

Costs;

1. £425:00+VAT for a full medical report.
2. £495:00 for a complex medical report, or one requiring the review of an exceptionally large volume of notes. Typically, this applies to high value claims.
3. £75:00 for an addendum requiring the review of additional notes or X-Rays.
4. We expect all fee notes to be settled within 12 months of the date of invoice. (End of case settlement terms can only be agreed in writing, subject to an upfront administration charge)

Notes;

1. Where possible, we require medical notes and X-Rays to be present prior to appointment. However, we are willing to schedule an appointment and write the report without sight of notes; in such a case, an addendum fee would then be charged for subsequent review of notes.

Timescale;

1. An appointment can be made for your client on receipt of the letter of instruction. The appointment will be scheduled to take place within six weeks of receiving the letter of instruction, unless there is any greater urgency. A letter will be sent to your client as soon as an appointment has been arranged. An email confirmation of the appointment will be sent to the instructing party
2. We will dispatch the final written report within ten working days of the appointment. **This will be sent via email as a scanned, signed PDF document.**
3. All queries/questions and any subsequent correspondence can be responded to in writing within 48 hours; this would be via email as signed PDF documents. **(We strongly advise all instructing parties to communicate with the expert directly via email, as this saves significantly on time and costs for all concerned.)**
4. We are able to arrange for any treatments or investigations, recommended by the expert in their report, to be carried out; a price list will be sent with the report..

Court Fees; Available on Request.
